

The Hiramatsu Hotels and Resorts Atami

Our Response to COVID-19

- Hand sanitizer and hypochlorous acid water stations are installed in the facility.
- We regularly check the body temperatures of our guests as well as our employees prior to entering the facility.
- We encourage our employees to wear face masks at all times in the facility.
- We regularly disinfect 'high-touch' areas including elevator buttons, door handles, light switches, in-room tablets and TV remotes.
