

Auberge Maki no Oto Toyama

Our Response to COVID-19

- We require all of our guests to use hand sanitizer and have their body temperature checked upon their arrival.
- All of our employees wear face masks in the facility.
- We may ask you to wear face masks especially in the public spaces in our facilities such as the lobby and the lounge.
- In order to prevent crowding at the entrance of the lobby, we may take our guests to their rooms directly after their arrival, pending any change in circumstances.
- We ensure to serve breakfast and dinner in the guest rooms.
- All the toilets in our facility have a feature of automatically opening and closing the toilet seats.
- Hand sanitizer stations are installed in all guest rooms of the facility.
