

## Sumiya

### Our Response to COVID-19

1. We may ask our guests to disinfect upon their arrival.
2. Our employees wear face masks in the facility in order to prevent the spread of any airborne transmissions of infections.
3. We thoroughly ventilate the guest rooms by opening the windows and doors and installing an air cleaner.
4. In order for our guests to avoid staying in closed spaces, crowded places, and any other close-contact settings while having meals, we serve both breakfast and dinner in their room. When we serve meals in the guest rooms, we make sure to keep a safe distance.
5. The reservable private bath can only be booked by each group of guests.
6. We accommodate each group of guests at the entrance.
